PROFILE

Abby Fox is a creative and skilled professional printmaker with a dedication to community and civil discourse. She is focused on facilitating conversations about the challenges and choices of the modern world through art. As a dynamic professional, Abby demonstrates a passion for education, strong communication skills, focused independent work, and problem solving in collaborative settings. She displays willingness to improve through continued training and education.

PROFESSIONAL EXPERIENCE

ART & SPANISH TEACHER, Elementary/Intermediate

Telluride Mountain School / Telluride, CO / August 2015 - Present

Develop and implement kindergarten-6th grade Spanish curriculum, emphasizing TPRS (teaching proficiency through reading and storytelling), 21st century skills, and social/emotional development. Develop and implement kindergarten-4th grade Art curriculum, focusing on process, not product. Plan and lead biannual outdoor and experiential education trips. Collaborate with teachers, administrators, and parents.

ART TEACHER, Preschool/Elementary

Ah Haa School for the Arts / Telluride, CO / June 2017 - Present

Develop and implement art curriculum for single-day to weeklong classes with preschool and elementary students. Collaborate with co- and assistant teachers.

PARENT EDUCATOR

Bright Futures / Telluride, CO / June 2013 - November 2015

Recruited and supported Spanish-speaking families with children under 5 years old. Facilitated monthly group functions and bi-monthly home visits, implementing the national Parents as Teachers curriculum and provide parental coaching. Conducted vision, auditory, and developmental screenings. Maintained local resource network.

PRESCHOOL TEACHER

Telluride Early Childhood Center/ Telluride, CO / October 2013 - July 2015

Planned and implemented developmentally appropriate curriculum in a classroom of 16 students. Supported learners in a dual language program, emphasizing Spanish oral communication and literacy skills. Oversaw general classroom functions and ran 8-week summer program.
